

EAC Third-Party Fundraising Terms of Agreement

Thank you so much for your interest in hosting a fundraising event for the Ecology Action Centre. Action is our middle name and your support is central to our success!

The Ecology Action Centre is a member-based environmental charity based in Halifax, Nova Scotia. We take leadership on critical environmental issues, from biodiversity protection, to climate change, to environmental justice.

These terms of agreement are designed to offer clarity in the process of creating your own third-party fundraiser for the EAC.

Support Available for your Fundraiser:

EAC is happy to share brochures, magazines, communication and member sign-up sheets, and other promotional materials as available.

EAC is happy to answer any questions you might have about putting on a successful event by phone or email. We also offer support and resources from our website, www.ecologyaction.ca/fundraise.

EAC permits the use of our logo on promotional posters and online event pages, with EAC's explicit written permission, pending approval of your event.

EAC will issue tax receipts for donations of \$15 or more.

Depending on staff availability, we may be able to provide a speaker at your event.

What we cannot offer for support for fundraisers:

As a small, locally-run charity, we have limits to the ways in which we are able to offer support for your event.

EAC cannot promote your event through our website or social media channels.

EAC staff are unable to assist in event planning, raffle or liquor license application, event space, or event, volunteer, or liability insurance for your fundraiser.
