

Making Tracks

Volunteer opportunity for youth!

Are you...

- between the ages of 13-18?
- looking for fun, active volunteer opportunities in your community (anywhere in Nova Scotia)?

As a **Youth Mentor** with the **Making Tracks Program**, you'll lead children through a program that teaches them safe active transportation skills. Gain leadership, teaching experience and practical skills while having fun helping younger students become more active!

To apply please respond by email at mt@ecologyaction.ca with the following information or mail this form to: Ecology Action Centre, 2705 Fern Lane, Halifax, NS B3K 4L3
